

Pentecost

(sung to *Deep and Wide*)

(Chorus)

Wind and flame
Wind and flame
On God's Holy Day
Wind and flame
Wind and flame
That's how God's spirit came

The blind will see
The lame will walk
God's spirit is power and love
Heal the sick
Teach the truth
God's spirit is power and love

Chorus

Love and Joy, Peace and Faith
Gentle, Kind and Good
Patience and self-control
God's spirit produces fruit

Chorus

3 thousand people were baptized
their sins were washed away
The Holy Spirit God's great gift
Came on that Holy Day

Chorus
